All students who are dismissed as walkers, at any point, as their way home in the afternoon, which includes biking or riding a scooter, must have written permission from a parent/guardian. Our school does not have a parent pickup option other than Kiss & Ride therefore students dismissed as walkers fall into this category.

- Walkers in grades 1-5 are dismissed through the kindergarten hallway door to exit and go home.
- Preschool and Kindergarten students must be matched with a parent, guardian, or designated adult to pick up at the doorway.
- Staff, in safety vests, are there to supervise the overall safety and flow of students leaving.
- Bikers and scooter riders are asked to use caution while walkers and families are on sidewalks. All bikes/scooter racks are located in the front of the building by the kindergarten playground.
