

Create a Canvas Parent Observer Account

<p>Go to the Alvey website. http://alveyes.pwcs.edu</p>	 <p>Prince William County Public Schools ALVEY ELEMENTARY SCHOOL <i>Believe, Achieve, Succeed</i></p>
<p>The Canvas website for parents is different from the Canvas website for students. Go to the Alvey website http://alveyes.pwcs.edu Scroll down and click on the “Canvas and Zoom Info” button.</p>	 <p>Canvas & Zoom Info</p>
<p>Click on “Canvas for Parents.”</p>	
<p>Click on the “Click here for an account” link.</p>	 <p>Parent of a Canvas User? Click Here For an Account</p>
<p>Fill in the requested information. Use the code you obtained from one of your children’s Canvas account as the “student pairing code.” When the form is complete, click “Start Participating.”</p>	 <p>Parent Signup x</p> <p>Your Name</p> <p>Your Email</p> <p>Password</p> <p>Re-enter Password</p> <p>Student Pairing Code <small>What is a pairing code?</small></p> <p><input type="checkbox"/> You agree to the terms of use and acknowledge the privacy policy.</p> <p>Cancel Start Participating</p>
<p>Use your email address and password to log into the site.</p>	 <p>Parent of a Canvas User? Click Here For an Account</p> <p>Username</p> <p>Password</p> <p><input type="checkbox"/> Stay signed in</p> <p>Forgot Password? Log In</p>

If you have multiple children,
click on "Account."

Click on "Observing." Type in
the pairing code for another
child. Click "+ Student."

Once the account has been created, parents can use the Canvas Student App on their Apple or Android devices to access their account. The Canvas Student app and the Canvas Parent app are similar. Canvas has recommended that the Canvas Student app has a better layout.
